

Temporary Junior Membership for Stubbington Green Runners & AC

Affiliated to England Athletics – Founded 1985

UPDATED SEPTEMBER 2008

This membership is aimed at juniors who are between 17-25 years of age.

SGR&AC is keen to encourage more young people to exercise regularly, and to enjoy the many health benefits that running has to offer. However, we recognise that starting a new activity can sometimes be a daunting experience. So, to overcome this, we are introducing a new training session specifically aimed at 17-25 year olds. Contact hally.pfc@ntworld.com for more information.

From Friday 10th October 2008, a new session will be introduced for this age group. However, before you commence training, please complete this form and submit it to the Membership Secretary (see address below). The form must be completed to meet with Health & Safety regulations. There will be no charge for the first 8 weeks. This will allow you to sample the sessions without needing to join the club*. After the initial 8 weeks, you will need to pay your membership fee. Signing this form does not commit you to joining at the end of the 8 weeks, although we hope that you will!

***PLEASE NOTE:** If you wish to race during this period, you will need to pay a £5 affiliation fee to England Athletics. This is required for HRRL, Hants XC, Today's Runner, Track & Field, The London Marathon, plus many other races. (Ask your coach for more information).

Should you wish to join as a full member of SGR&AC after the initial introductory period, the charges are £16* for a single person and £22* for a couple.
